

**Warrenpoint Harbour Authority**  
**Notice to Mariners**  
**No. 2 of 2023**

**Dredging Operations in Warrenpoint Port town dock**

**Dredging will commence on Monday the 30th of January in the town dock berths area of the inner harbour of Warrenpoint Port.** The dredging campaign will last for approximately of 35 days with the water injection dredger cms Innovation .

**A wide berth and slow speed is requested by all vessels when near the dredging operation.** Mariners should be aware that **this is a 12-hour per day operation.**

all vessels will keep a listen watch on VHF CH 12.

**Communication between all vessels is key to a successful and safe campaign.** You are requested to communicate **directly** by VHF Ch12\_with the dredger and/ port control to clarify any movements and passing or meeting situations well in advance.

These conditions do not remove the normal VHF calling requirements to Warrenpoint Harbour or a vessels obligation to comply with the Collision Regulations.
